

*Pay Back or Our Calling to Dominion*

**PAYBACK**  
**or**  
**Our Calling to Dominion**

*Acts 3:21 Whom the heaven must receive until the times  
of the restitution of all things, which God hath spoken by the mouth  
of all his holy prophets since the world began.*

Restitution means more than restoration, it means pay back.  
From the beginning man was given dominion, but he lost it.  
Now is the time for dominion to be ours again.

## **INTRODUCTION**

Some of the truth found in this book was gleaned listening to the ministry of my friend Dennis Walker. Dennis' wife, Lynn is one of the daughters of Jack and Gladys Enlow, missionaries to Peru. Jack was one of two or three men of God who had the most effect on my life, he was both friend and mentor. Jack passed away a few years ago, but his legacy lives on. All of their eight children are actively following the Lord, and Gladys is still on the mission field in Peru. They accepted me as part of their family, and I am enriched because of it.

This book is a compilation of chapters by both me and my sister, Beth Hudson. Beth and I desire to see the people of God come into all that is in the plan of God for them. Beth wrote chapters 6, 8, 10, 12 and 14.

We have been called to be kings and priests. There is going to be a manifestation of the sons of God. We all want to be a part of all that God has for us. But how do we get there? It is good to have wonderful revelation about God's plan, but we do not want it to be just another truth that we file away in our library. The Lord wants us to move into these things, not just store them away in our memory.

We have been given spiritual gifts, and faith to move in them. We have also been given spiritual senses, so that we can see what the Lord is doing in heaven, hear what He is saying and, sense all that He has for us. This book will encourage us as we move into these
